Adequate compensation for rostered leaders matters to us in the Saint Paul Area Synod. Recommended guidelines for compensation are revised each year and are posted on the synod's website. Health care and contributions to a pension for rostered leaders and their families is a significant aspect of overall compensation, which is set by the calling congregation, agency or institution.

In comparison to the previous year, is your compensation for 2017: Increased Flat Reduced

Does the congregation provide any of the following:

Social Security allowance

Additional pension contribution (beyond recommended 10%)
